Quality Products from Tiger Filtration Ltd - Our range of Alternative Elements are designed and manufactured to perform "as good if not better" than the original equipment. All the materials used in the manufacture of these elements are sourced from recognised suppliers to the industry.

We are so confident in our products that we offer a full 12 months "money back" guarantee if you are not happy with the performance.

When you buy a product from **Tiger Filtration Ltd** you get a promise from the Managing Director that the elements are "as good if not better" than the original.
