

## General Data Protection Regulations (GDPR) Privacy Statement

Tiger Filtration Ltd would like to keep you up to date with our exclusive product information and latest developments via post, email, telephone and social media. This will ensure that you do not miss out on any new products, services or offers.

You may have heard about changes to the law governing businesses operating within EU nations, which took effect on 25<sup>th</sup> May 2018, regarding data protection. In order to ensure that we comply with this new legislation (General Data Protection Regulations, GDPR) Tiger Filtration Ltd is required to advise you of our Privacy Statement. We would like to also take this opportunity to draw your attention to our Privacy Policy, which is available by request or via links on our website.

We can assure you that we take privacy and the protection of personal information very seriously and your information is only used and maintained by our employees who will be classed as data processors under the new regulations.

Can you please take the time to read our GDPR Privacy Statement below and if you do not agree to your Company details being used as outlined please email me using the link below to have your details removed.
